CLASS CONTEST FOR MEMBERS CLOSES WITH BANQUET

Young Men Are Winners Of Drive; Number Of Talks Given At Gathering

The Tri Mu class of the First Baptist church just closed a membership contest between the men under 30 years of age and those above that age. The young men being the winners were the guests of the older men.

However, the senior men outnumbered the juniors at the table. Mr. Maxwell, the leader of the losing team, remarked in his toast that "if we had worked as hard as we were eating we should have won the contest."

Mr. Van Wormer acted as toastmaster and livened things up in fine shape. Mr. Boynton slipped in a song whenever an opening could be detected and Mr. Frazer gave several selections on his bagpipe.

Speeches Are Made

After the splendid repast, the toastmaster introduced the leader of the losing team, Mr. Maxwell, who told us how his side lost, and Dale Wood, leader of the winners, said that their success was due to the friendly feeling existing among the young fellows and their co-operation and greater opportunity to meet other young men and their purpose to do something worth while for the Master.

Mr. Rich, the president of the class, commended the young men for their zeal and our superintendent speaking of "our boys" reminded the men that they were examples and leaders of the many live boys in the grades.

Ford Tells Ford Story

Rev. Ford, after upstating the dignity of the occasion by telling a good Ford joke, presented the thought that helpfulness should go hand-in-hand with bible study, his theme being the "A B C's of the class." He (Continued on Page 3.)

D. S. Phillips At Credit Men's Meeting

D. S. Phillips of 219 East Chestnut street left Monday morning for San Francisco, where he is attending the annual convention of the National Credit Men's association. He left Los Angeles on a special convention train with seventy-five other southern California members of the association.

Mr. Phillips is formerly city auditor of Glendale, and is now head of the credit department of the Sierra Paper company of Los Angeles. He will return to Glendale on next Saturday.

Miss Birchfield Home After Her Operation

Miss Margaret Birchfield, who has been seriously ill for the past two weeks, was returned to her home at 642 North Kenwood street Saturday afternoon after being at the Glendale Sanitarium for a week. She was stricken with a severe attack of appendicitis on June 3 and had to undergo an operation the next day. Although she is still confined, to her bed Miss Birchfield is now out of danger and her many friends are hoping to see her up and around in the near future.

Mr. and Mrs. Glascock Leave For Pasadena

Mr. and Mrs. Glascock, who have been residing with their daughter and her husband, Mr. and Mrs. B. C. Berner at 360 West Elk avenue, have gone to Pasadena where they will spend about two months with friends there, after which they will return to Glendale.

Mr. and Mrs. C. H. Bott Visiting Big Bear Lake

Mr. and Mrs. C. H. Bott, proprietors of the Glendale Book store, are motoring to Big Bear lake this morning. They intend to spend a week in the vicinity of Big Bear. Mrs. Brain will be in charge of the book store in their absence.

Mr. and Mrs. G. Barton Visit At Seal Beach

Mr. and Mrs. George S. Barton of 801 East Elk avenue were the Sunday guests of Mr. and Mrs. C. I. Smith at Seal Beach.

Cleanup Day, Tuesday, June 21, 1921

"Glendale, a Clean City Kept Clean"

To live up to this slogan eternal vigilance is required as well as the co-operation of all of the people in the city in the use of every available agency to that end.

The city of Glendale has provided ample means for the promotion of cleanliness. There is no real reason why there should be at this time any large accumulation anywhere within the city of waste matter or rubbish or that there should exist any condition within the city limits of Glendale that is in the least unsightly or unsanitary.

The ideal is a clean city kept clean every day.

From the report of committee appointed by the Chamber of Commerce and the city to investigate these matters, it would seem that we have not as yet reached this ideal. Let us have it said on Clean-Up Day, Tuesday evening of next week, that every citizen of Glendale has done his or her part in obtaining this ideal and in so doing has placed the responsibility for its complete fulfillment upon the city service to dispose of all accumulations of rubbish and waste matter that have been set out for removal by the people; and then once having obtained that ideal, let us as citizens employ to the largest extent the means provided by the city for keeping our private premises and the streets and alleys clear of all waste matter and rubbish and of everything that would tend to give our private premises or the city an unkempt or unsightly appearance.

Four Thousand Visitors

There is a special reason why Glendale should maintain its reputation as a Clean City Kept Clean at this time. We will have the privilege of entertaining 4000 delegates to the State Christian Endeavor convention that is to be held in this city from June 25 to the 29th inclusive. It is expected that at least 3000 of these delegates will be visitors in the homes of Glendale people during this period and of course it needs no urging to enlist the co-operation of all the people in a united effort to have our individual premises and the city at large present the very best appearance to these visitors.

On behalf of the Board of Trustees the entire Glendale community is solicited to join in one grand clean-up day next Tuesday, June 21, 1921.

T. W. WATSON,
City Manager.

City Manager Watson has sent the following self-explanatory letter to the Chamber of Commerce:

June 14, 1921.

Mr. J. M. Rhoades, Secretary, Chamber of Commerce, 115 West Broadway, Glendale, Cal.: Dear Mr. Rhoades—Pursuant to the report and recommendation of joint committee representing the Chamber of Commerce and city appointed to make arrangements for general clean-up day for the city of Glendale, we have arranged that the city will co-operate in this movement as follows:

Tuesday, the 21st instant, will be designated as "Clean-up Day." The people of the city are requested to gather all waste matter and rubbish that is not easily combustible on their premises and place the same in the alley at the rear of their lot or place it in the street gutter on this date. City teams will gather and dispose of the same the following day. In this connection it is urged that all

waste matter and rubbish that is set out to be removed be placed, if possible, in receptacles convenient for handling. When this is not practicable it should be placed in compact piles so as to require the least time in handling.

Your committee reported large accumulations of rubbish, tree trimmings, etc., in the alleys. It is requested that owners of abutting property gather this in piles convenient for removal. Your committee also reported large accumulations of waste matter, rubbish, etc., at the rear of business buildings in the business district. The business men are requested to have this gathered and placed in receptacles convenient for handling.

Thanking the Chamber of Commerce through you on behalf of the city for the co-operation of yourself and the committee in this matter, we are,

Yours sincerely,

T. W. WATSON,
City Manager.

Mr. and Mrs. W. Verity Back From Motor Trip

Mr. and Mrs. W. H. Verity of 511 West Broadway, and their daughters, Miss Agnes and Elsie Verity, have just returned from a two weeks' motor trip to Yosemite, stopping on their return to visit friends in Fresno and Dinuba. They report a delightful time in Yosemite, but found the heat oppressive in the San Joaquin valley on their return trip, the thermometer reading being 100 to 110 degrees.

Mrs. Gertrude Sanker Hostess At Farewell

Foreman, Chicago attorney who was injured when Colonel Galbraith was killed.

MARKET OPENS FIRM, THEN IS STRUCK BY REACTION

NEW YORK, June 14.—Traders on the New York stock exchange today forgot the rally which was staged yesterday late. Although the market opened firm, a reaction struck the market in the first few minutes. The first sale of United States Steel was at 76, off 3-8, and the stock dropped to 75 3-8. Mexican Petroleum was off 1/8 at 132 1/2 and then reacted a full point. Studebaker opened at 75 3/4, up 3-8, and held up fairly well in early trading. Crucible Steel, adversely affected by rumors of a coming dividend cut, opened 5-8 off at 55 1/2. United States Rubber was up 5-8 at 59 3/4. Rails were fractionally higher. Other opening prices included: Central Leather, 36, off 3/4; Southern Railway, 19 1/2, off 5-8; Reading, 66 3/4, up 1/8; Industrial Alcohol, 56, off 1/4; Bethlehem B, 52 1/4, up 1/8; Canadian Pacific, 110 7-8, up 3-8; Southern Pacific, 72, unchanged; Northern Pacific, 64, up 7/8; New Haven, 17, up 3-8.

MASS MEETING FOR PARK BONDS ON FRIDAY NIGHT

Chamber Of Commerce Will Plan Education Campaign In Behalf Of Issue

Secretary James M. Rhoades of Chamber of Commerce has called a mass meeting to be held in council chambers of the city hall Friday night at 7:45 o'clock for the purpose of promoting \$22,000 park bonds which will be voted on at the municipal election, June 28.

Representatives of all organizations will be requested to have delegates in attendance and all others interested may take part in organizing for a concentrated effort to put over this small issue which will provide Glendale with a swimming pool.

Campaign of Education

A campaign of education will be outlined at this meeting to bring before the people the necessity of Glendale having its own swimming pool, instead of having to permit its youth to go to Brookside Park, Pasadena, or Bimini Baths, Los Angeles, to enjoy the privileges of a plunge.

Already a site has been selected for pool in the park located in the northwest section of the city, which is now being developed. It is a project which the Chamber of Commerce gives its unstinted support.

IMPORTANT TO YOU
We have been placing in this paper from time to time an advertisement which was headed this way:

"Have you heard of the shallow oil fields at Canajo, Camarillo, Ventura County?" Well, a great many of our Glendaleans have responded gracefully by seeking information and after receiving same, they have in every case purchased an interest in this lease, where the well is drilling.

We wish to announce that the showing of the first well has been far beyond our expectations and we hope to announce in the very near future that the first well is on production. From the showing now, you should expect a fine well. Some of you have hesitated, but if you are going to secure your interest in this enterprise at the present price, you will have to act without delay. H. L. Miller Co., 109 South Brand boulevard, Glendale 853.

Brown was the possessor of very

large feet and a very bad cough. He

entered a boot shop and the young

assistant turned the shop upside

down to find something to fit him.

Brown had just tried on the fortieth

pair when he started coughing.

"Nasty cough," said the assistant.

"Yes," gasped Brown. "Doctor

says I've got one foot in the grave."

"I shouldn't worry," said the as-

sistant. "You'll never get the other

in; it's too big!"

Locals And Personals

Mrs. Earle Leighton Bryant of San Francisco is the house guest of Mr. and Mrs. R. D. Angelica, 712 North Maryland avenue.

Dr. C. E. Brain, who has been suffering the last few weeks from injuries incurred in an automobile accident, is recovering rapidly.

Mrs. Lloyd Bradley of 338 1/2 West Broadway entertained as her weekend guest Mrs. Katherine Jones of Burbank.

Mr. and Mrs. Philip Olson of 400 North Maryland avenue entertained a party of fourteen relatives at dinner Friday night.

The Mary Jane Gillette Tent will hold its regular meeting tonight in the Odd Fellows' hall, corner Brand and Broadway.

Arnold M. Des Plantes, with his wife and two children of 101 North Orange street, spent the past weekend on a pleasure trip to Big Bear lake.

Rev. and Mrs. C. A. Cole of the Central Christian church have just returned from a trip to San Diego in celebration of their fifteenth wedding anniversary.

Mr. and Mrs. George Kelsey and son, Alwyn, of 430 West Burchett street, motored to Long Beach Sunday, where they spent the day with Mr. Kelsey's parents.

The many friends of Mrs. Agnes Powell of 206 West Burchett street will be pleased to know that she is able to be up again after quite a long illness.

Mr. and Mrs. H. D. Melone and daughter, Vivian, of 309 Myrtle street spent Sunday at Upland. They were guests of Mr. and Mrs. Jack Gaylord of that city.

Mr. and Mrs. H. F. Croft of 1753 Gardena avenue had as their Sunday dinner guests Mr. and Mrs. W. Reiser and little daughter, Mary Elizabeth of Los Angeles.

Mr. and Mrs. Charles F. Parker of 221 North Central avenue entertained recently Dr. and Mrs. E. H. Lyman of Santa Barbara, Mrs. Lyman remaining over for the weekend.

Mr. and Mrs. J. A. McKelvey, who have been living in Los Angeles for the last three months, are returning to Glendale this week and will occupy their house at 338 West Broadway.

The program at the Tuesday Afternoon club this afternoon will include numbers by Anne Thompson, concert pianist, and also a talk by A. Lincoln Hart, of the Ethical Motion Picture society.

Mrs. W. E. Grigg and two sons, Willard and Kingman, of 540 Fairmont avenue, spent Saturday at Manhattan Beach. They visited Mrs. Cutter, formerly of this city, and enjoyed a picnic lunch on the sand.

Mrs. Bernice Fennelone of 1823 Gardena avenue, Mrs. A. McCann and son of 222 South Glendale avenue, and Mrs. Sternberg and daughter of 111-B South Brand boulevard are spending the day at Venice.

Mr. and Mrs. Will Sawyer of 630 North Kenwood street are entertaining J. A. Bolen of Grand Rapids, Michigan, at their home this week. Mr. Bolen is making a four weeks' business trip to a number of the larger western cities.

Mrs. Clara Gulvin, formerly of Glendale but now a resident of Long Beach, spent Sunday with her brother, Tom Gillette, Jr., of this city. Her husband, Ed Gulvin, who was well known to many of Glendale's older citizens, passed away at his beach home last week.

Barbara Miller, infant daughter of Mr. and Mrs. Homer B. Miller of 434 West Burchett street, is gradually regaining normal health after a lingering illness of several months. At one time the condition of the baby was so grave that a trained nurse had to be continually in attendance.

Foresters To Have Features On Program

Initiation, entertainment and a luncheon will be the attractions for members of the Independent Order of Foresters at the Knights of Pythias hall, Park avenue and Brand boulevard, tomorrow night. Special talent has been obtained for the entertainment features and Emil Kiefer, chief, assures a "good time will be had by all."

Horace Anderson To Go On Journey East

Horace Anderson, 14-year-old son of Mrs. A. K. Anderson of 454 West Maple avenue, will leave tomorrow morning on a three months' trip east. He will stop for several days at San Francisco, Salt Lake, Denver, Pike's Peak, Minneapolis, various cities in Iowa, Milwaukee, Chicago, Detroit, Springfield, Illinois; St. Louis, New Orleans, Dallas, El Paso, San Diego and back to Los Angeles and Glendale. Visits will also be made with relatives in some of these cities.

SCOUT TROOP NO. 2 ENJOYS OUTING ANNIVERSARY

Fifth Year Is Observed By Boys; Swimming, Fishing Furnish Amusement

Troop No. 2 of the Glendale Scouts, under the leadership of Assistant H. Benjamin Robison, son of the Glendale Scout Master, Benjamin Robison, senior, celebrated the fifth anniversary of their troop organization by a trip to the mouth of Topanga Canyon.

Leaving Friday evening the troop, consisting of twenty boys, drove to Topanga in automobiles, and pitched camp on the beach.

After campfires were kindled the boys were invited by a party of young people from Pomona college to join them in a weenie roast. The forepart of the night was spent frolic around the beach campfires. Toward midnight the reveling came to an end, occasioned by the sudden illness of a young lady of a party camped on the beach near by. The scouts administered "first aid," and by their skill gave relief to the young lady until a physician arrived.

Swimming and Fishing Saturday was spent swimming in the ocean, surf-board riding, canoeing and fishing. When night came the nine eagle scouts of the troop conducted a hazing party; this is said to have proved a success.

The remainder of the outing was given to sports and signal practice. The troop returned to Glendale Sunday evening.

Troop No. 2 consisted of the following boys: Willard Roberts, David Roberts, Dallas Kallhaugh, Stillman Chase, Art Wetton, Alexander Chase, Charles Worley, Harold Jones, Terrell Morse, Bob McReynolds, James Fry, Richard Ambrose, Douglas Gregg, Kenneth Miles, Arthur Barton, Clifford Walcott, Bob Hatch, John Ferris and Assistant Scout Master, H. Benjamin Robison.

W. F. Martin Addresses South Glendale People

W. F. Martin, of the Pacific Union Conference, Seventh-day Adventist church, and a resident of Glendale, spoke before four score of southern Glendale residents last night at the assembly hall above the branch library, Brand boulevard and Los Feliz Road. Mrs. E. V. Bacon presided. The meeting was held under the auspices of the Good Government league.

Mr. Martin dwelt extensively on the subject of Sunday legislation, showing how the country had emerged from a puritanical period and was the better for being out of it. His remarks were brimful of statistics, interspersed with humor, and met the acclaim of his hearers.

Mrs. Jamie Shea Guest Of Honor At Shower

A very novel shower was given last night at the home of Miss Alice Gray Beach of 633 North Brand boulevard, when she entertained with an apron shower, in honor of Mrs. Jamie Shea. The house was very beautifully decorated in pink roses and on the dining table was a large pink basket containing many pretty and useful aprons. Pink streamers were stretched from the chandelier to tiny crocheted baskets, containing nuts and candies. The place cards were tiny little aprons hanging from the glasses.

The evening was spent in sewing and conversation, after which dainty refreshments were served by the hostess. Miss Beach's guests included Mesdames Noble Ripley, Wayne Smith, Charles Carrol, Sidney Simon, J. T. Beach, the honoree, Mrs. Jamie Shea and the Mesdames Lila Webster, Cecelia Lyons, Ernestine Lyons, Lila Shea and Alberta Heister.

Clean-Up Day Plans Under Discussion By C. of C. Directors

Inauguration of "clean-up" day, Tuesday, June 21, by the Chamber of Commerce and its co-operation with the city in making it a success was one of the big things coming before the directors at their weekly luncheon, held at Goodyer's in Central avenue this afternoon.

Communications were ordered sent the Interstate Commerce commission and California's representatives in congress urging lower freight rates on fruits and vegetables, following the reading of an appeal from the California Vegetable Union. A letter from Frank Wiggins, secretary of the Los Angeles Chamber of Commerce, inviting the local secretary, James M. Rhoades, to attend their weekly luncheons on Saturdays was filed.

Among other matters coming before the board for consideration, the Henry-Brown company, Sierra club beverage manufacturers, and Harry Moore, paint store proprietor, were elected to membership.

HEIRESS, CURED BY GREAT DOCTOR, TO WED WAR HERO

Only Daughter Of J. Odgen Armour Will Be Married To J. J. Mitchell, Jr.

CHICAGO — Lolita Armour, the only child of J. Odgen Armour, the millionaire packer, and John J. Mitchell, Jr., son of the chairman of the board of directors of three of Chicago's largest banks, will be married here June 18. The wedding will unite two of Chicago's oldest and wealthiest families.

Behind that social announcement lies an intensely interesting and gripping story of a "poor little rich girl," crippled at birth, who with the aid of the world's greatest scientists, developed into a normal, healthy, sport-loving woman.

The bride-to-be, when a child, showed signs of a serious hip trouble. She was unable to walk and she apparently was doomed to go through life an invalid. The best specialists of the country were consulted.

Operation Performed

An operation was performed in 1900, when the child was three years of age, without benefit. Her parents sought throughout the world for someone to cure her. In 1902 the girl's father went to Vienna to consult with Dr. Adolph Lorenz, the world's most noted orthopedic surgeon. Armour appealed to the scientist to make the trip to Chicago and attempt to cure the girl. Lorenz was loathe to leave his practice in Vienna. Armour offered to pay any amount if he would make the trip. It was finally agreed that the physician should receive \$100,000 and all expenses for himself and staff to go to Chicago and try to cure the child.

The surgeon attended the child in the Armour home here. The surgeon discarded the knife and used the compelling strains of straps and weights as a substitute. The 5-year-old girl was under an anaesthetic for two hours. Efforts of Lorenz and his staff were centered on forcing the hip bone into the socket. After two hours work there was a sharp "click." The surgeon released his grip on the tiny body. The bone had been, forced into the socket. The operation was a success.

In Cast Six Months

A plaster cast was placed on the hip and remained there six months. A year and a half later the girl was still unable to walk. However, surgeons were confident that the operation would be successful, if given time. In 1904, Lolita was taken to Vienna for the final treatment at the hands of the famous specialist. Her father carried her on board the ship as she was still unable to walk. During a short stay in Vienna she learned how to walk and when the family returned to this country, she ran down the gangplank of the boat, and played as any healthy, normal child.

She later became an accomplished sportswoman and was noted as an equestrian. Lolita has taken a great interest in Chicago's charitable institutions, but her greatest efforts have been toward aiding institutions caring for crippled children.

Two Million Dollars

Following her cure her father built a \$2,000,000 home for her at Lake Forest, a Chicago suburb and called it "Melody Farm."

During the war she converted her home at Santa Barbara, Cal., into a hospital for American crippled soldiers. When twenty years of age she was elected a trustee of the Armour Tech institute.

Mitchell was in the aviation service during the war. He was seriously injured when a plane which he was piloting collided with that of another flyer 100 feet above the ground. The other aviator was killed.

CLASS CONTEST FOR MEMBERS CLOSES WITH BANQUET

Young Men Are Winners Of Drive; Number Of Talks Given At Gathering

(Continued From Page 1.)

said, "Advocate for the other fellow. Advertise, use our live newspapers and Agitate, then boost, build and brother the boys," completing his alliteration with, "Co-operate, concentrate and consecrate."

Mr. Boynton in his toast, "Teachers and Teaching," paid a fine tribute to the teachers of California. He said, "The teachers do not meet with the co-operation and friendliness they need and deserve, rather the contrary. This makes teachers hard to get and hard to keep, and drives them out of the profession."

"They are doing the work we hate to do—to train our own young ones," he said.

Why He Lives Here

Mr. Gasser was called upon to tell why he selected Glendale as his home. He was very enthusiastic about the town for many reasons, among them were the pleasing scenery and congenial, thrifty and splendid spirit of the people. He hopes to educate his family among us, which shows confidence in us and is a compliment to the community.

Mr. Elliott explained the name "Tri Mu" or the three m's of the class, muscle, mind and morals or body, intellect and spirit. He showed with telling effect how Germany, great in power and keen in intellect, but in a wrong spirit, failed and lost her standing.

Everyone had a good time and the visting continued for a long time. There were about seventy-five present, every one fine fellows with a high purpose. Their class motto is "Helpfulness."

Beefsteak Day Will Be Full Of Features

Griffith Park will be the scene of much jollification Saturday, June 18, when Unity Lodge, No. 368, F. & A. M. will hold its seventh annual beefsteak day, with one grand round of fun. The festivities begin at 3 o'clock and will include a baseball game, beefsteak dinner at 5:45 o'clock in charge of Fred Deal and A. H. Lapham, after dinner speeches by H. P. Goodwin, Serafin Pia and Andrew Findlay and other surprises.

An aviators' special weather report will be sent out each day by naval radio, beginning June 1. In co-operation with the weather bureau the Navy department will send broadcast from the Arlington station at 10 a. m. a report giving data from forty-four towns and cities. Wind direction and velocity for various levels of aerial travel will be included in the report.

NOTICE TO PATRONS:

We Beg to Announce a Reduction to 60c per 100 pounds in the price of

Delivered to family and retail trade in general, in the city of Glendale

Commencing Wednesday Morning, June 15

This reduction is made possible by a general decrease in our operating and delivering costs and it is with pleasure that we share this good fortune with our patrons.

OUR ICE IS CLEAN AND PURE

And we do not treat the Glendale city water from which we make it with aluminum-sulphate or any other harmful chemical usually employed by manufacturers of raw water; instead we have a modern, sanitary and efficient system of filtration, which not only purifies but softens the water, and all water runs through this filtering system before it is made into ice. Thanking you for your patronage in the past and soliciting your further orders, we remain, yours very truly,

Y. L. I. Girls Plan Card Party, Dancing

One of the most attractive social events of the season will be given June 18 when the Glendale Y. L. I. girls will give a card party at the Ambassador hotel, Los Angeles. The girls are all working hard to make this one of the greatest social successes of the season.

The afternoon will be devoted to bridge, 500 and whist, and the evening will be given over to dancing.

The Burroughs memorial forest at Big Indian in the Catskill mountains was recently dedicated with appropriate ceremonies. At the entrance to the forest a tablet was unveiled.

T. W. Preston Catches Fish—Lots Of Them

Friends of T. W. Preston are celebrating his return from a fishing trip to Hermosa Beach. Celebrating and also mourning, is the way the friends express it. The reason for the mourning is that there are so few fish left in the ocean for them to catch, and the reason for the celebrating is that he supplied the entire neighborhood with fresh fish.

Papering the walls with Austrian bank notes has proved such a good advertisement that several innkeepers have taken up the idea in Geneva. The cost is but little more than that of good wallpaper.

FOR EXCHANGE

I HAVE a double corner in the finest residential district in Minneapolis which I should like to trade in on Glendale property; will assume and pay cash. Call Glendale 598.

FOR EXCHANGE—ARKANSAS OIL PROSPECTS FOR SOUTHERN CALIFORNIA HOME (CLEAR) DREW COUNTY, ARKANSAS, ON FIRE WITH OIL EXCITEMENT AND ENTHUSIASM.

Six months ago ELDORADO, ARKANSAS' first oil spouter in the state blew in. Today she has over 118 producing wells, approximately 180 drilling, besides over 100 new locations and derricks. During May, this field shipped over 500,000 bbls. oil or over 17,500 bbls. daily. ELDORADO has 30,000 people, increasing in six months from an obscure village. Same people who put ELDORADO on the oil map, have secured leases on Section 26-12-8 of Drew Co., Ark., contracting to sink three wells; derrick up for one already. Advertiser owns 160 acres (clear) in adjoining section, i. e., 22-12-8, who desires to exchange 20 acres of same for a southern California residence, clear, worth \$6000, or 38 acres, more or less for a like home, clear, worth \$12,000. This land is slightly undulating, corn-cotton plantation. Lands adjoining producing oil wells have sold from \$5000 to \$40,000 per acre and up. Ours should prove as valuable, following oil development. Have had several offers to lease. Advertiser guarantees oil production in said Drew Co., Ark., within five years (perhaps sooner) or agrees to reversion of said titles involved to original owners. This is reader's opportunity to get into the oil game at nominal investment without risk, same being guaranteed or insured. This is a 100 to 1 bet. Address Cotton Planter, 349 West Colorado boulevard, Glendale, Cal.

New Clew Is Found
In Hunt For Bandit

PORTLAND, Ore., June 14.—What appears to be a definite clue to the whereabouts of Roy Gardner was phoned from Castle Rock early today.

According to the message, a stranger with large gold teeth entered a restaurant at Castle Rock and ordered food. While the meal was being prepared a man walked past the restaurant on the sidewalk, looked in and passed on. A moment later he came by again and once more glanced in.

The stranger with the gold teeth who answered almost perfectly the Gardner description as given out here, left the food which had been brought him untouched, hurriedly left the restaurant and disappeared. Sheriff Noggett and a posse were notified of the occurrence and at once set out in pursuit.

You Can't Be Sure,
Even Relatively So

NEW YORK.—As George M. Cohan once murmured musically before the footlights, "We're all but poor weak mortals after all."

Professor Einstein, who explained his theory of relativity so that it was clear, or relatively so, to some people, proves that he's not so much of a human fourth dimension after all. He said in an interview here:

"All classes of American girls dress like European aristocrats. For instance, a girl passed me on the street who looked like a queen. She was dressed not only in the best style, but in perfect taste. I thought she was a millionaire, but she turned out to be a typist in a hotel."

All of which, perhaps, goes to prove that everything is relative, as Mr. Einstein once said before, and that you couldn't be sure anything is what you think it is.

Varied Attractions
In City Last Night
Bring Out Big Crowd

Everybody in Glendale was out last night!
At least it seemed so from the audiences attending the various entertainments.

The Glendale Theatre inaugurating Meiklejohn & Dunn's vaudeville played to more than 800 enthusiastic persons.
Jackie Coogan in "Peck's Bad Boy," Glendale-made comedy, lured approximately 1000 to laugh with him at the Palace Grand.

And the "Deestrick Skule," presented by the City Teachers' club at the C. E. tabernacle, was enjoyed by 2000 who wanted to aid the Colorado flood sufferers. The Elks met and a revival drew others, so it can be said safely that more than 4,000 of the 20,000 population of this city were entertained at the same time.

Charles Grist Replies
To League Questions

Charles Grist, candidate for member of the City Council, has written to J. D. Hull, secretary of the Good Government League, relative to the questionnaire recently sent by the league to all of the candidates for council. Mr. Grist requests The Evening News to publish his letter to the league. It follows:

"I beg to acknowledge receipt of your communication of June 6, 1921, in which you request my views on certain regulations in the city of Glendale that will close business houses and places of amusement on Sundays.

In reply thereto I beg to say that regardless of my own personal opinion, if elected to the city council I shall at all times endeavor to carry out the wishes of the majority of our citizens on this and other matters as may be evidenced by their own initiative or petitions.

"Until the people first decide for themselves by ballot that a closing ordinance is desired, I fail to see the necessity for further regulation at this time. When I became a member of the board in 1914 I assumed the duties of city trustee unpledged to any man or faction, and I am seeking the support of the people at this time on that same basis. As good citizens you will agree that when unpledged an official is free to best serve the interests of the majority of the people, which service will be uppermost in my mind at all times.

"Trusting my position is sufficiently clear, I beg to remain,
"Very truly yours,
"CHARLES GRIST."

House Warming Brings
Back Fond Memories

DIXON—An old-fashioned house warming, reminiscent of the free and easy days of the '70's and '80's took place here yesterday.

The big sheep barn which Henry Peters, the Dixon sheep man, has just erected was the scene of the festivities. The barn has dimensions of 100x235 feet. It is located two miles south of Elmiria. To cover the roof of the barn 280,000 shingles were required.

The feature of the day was a barbecue, twelve sheep, twelve steers, and twelve hogs being barbecued by an expert and served from the pits, beginning at 11 o'clock, to the throngs that came for miles from the surrounding country.

A San Francisco orchestra furnished the music and dancing in the great barn was the order of the afternoon. There were "jazz" dances for the young folks, and old-fashioned "barn dances," quadrilles and Virginia reels for the old folks.

A program of sports included five boxing bouts by professional boxers. A small admission was charged, and the proceeds were turned over by Peters to the Dixon post of the American Legion for use in erecting a clubhouse. A good sum was realized. Everything was provided excepting knives, forks and spoons. That was too big an order for Peters, who announced that those attending must bring their own implements.

Mr. and Mrs. Piercey
Entertain At Dinner

Mrs. H. S. Truscott, Miss Trubee Truscott and Master Whitney Truscott of 459 South Hudson avenue, Pasadena, were the dinner guests Sunday of Mr. and Mrs. G. O. Piercey, 509 Patterson avenue. Mrs. Truscott has just returned from a three months' sojourn in Guadalajara and Mexico City, Mexico. Mr. Truscott, who will not return for another week, has large interests in several sugar mills in Mexico.

J. G. Huntley Starts
Building New Home

J. G. Huntley has started the erection of a six-room bungalow in the Huntley-Evans tract on Highland avenue south of Kenneth road at an approximate cost of \$6,000. Mr. Huntley and family will move in as soon as the house is completed. Curbing is now being put in in this tract.

PLAY FOR BENEFIT
OF FLOOD VICTIMS
BIG SUCCESS

Teachers' Club Gives Show
And Large Crowd Attends;
Comedy Pleases All

The announcement that the presentation of "The Deestrick Skule" by the Glendale City Teachers' club, which was given recently at the high school, would be repeated last night at the Tabernacle for the benefit of the Colorado flood sufferers met with a hearty reception, as evidenced by the large crowd which filled the spacious auditorium.

Tickets unsold and also money received for tickets sold by the children of the schools of Glendale have not been turned in as yet, and until that is done the exact amount of money made will not be determined.

Over \$80 was taken in at the door of the tabernacle, not taking into consideration any tickets sold outside, so it will be seen that quite a large amount will have been made for the relief of the flood sufferers when the entire proceeds are in.

Those who took part in the play, having had the experience of two previous performances, did so with an added vim and vigor, new jokes being added to the already overflowing supply of mirth provokers. The stage settings were, if anything, superior to those used in the previous presentations of this comedy.

Postoffice Petition
A. R. Chappell circulated petitions for a postoffice, it receiving many signatures from members of the audience.

The program opened with orchestral selections by the intermediate school orchestra, conducted by Miss Brennenman, which brought forth much applause. This was followed by several very beautiful harp selections by Mrs. Enona Hopkins, who although a comparative newcomer to Glendale has already won much recognition as a musician. "The Deestrick Skule" was then presented.

The splendid success of this entertainment was in keeping within the precedent already set by the citizens of Glendale in attending benefit performances, especially when given for such a worthy cause.

Disarmament Project
Is Before Rotarians

BY CLYDE BEALS.
Written for the United Press
EDINBURGH, Scotland, June 14.—Rotary today planned to start the wheels turning for international disarmament.

Frank W. Wescroft, Dallas, Texas, once the youngest mayor in the United States, is prepared to introduce the necessary resolution if the resolutions committee does not act.

Wescroft was instructed by the Dallas club by cable to work for an international resolution to be presented to nations in which the club is established asking that a Pan-National disarmament congress be called into being.

Rotary's interest in international good feeling was the outstanding feature of the first day's sessions here. Practically every speaker stressed the subject. It was expected to crop out in today's sessions which were devoted to reports on all rotarian activities during the last year.

President Emeritus Paul P. Harris of Chicago, in a message to the conference, opened the world peace discussion by stating "we have accomplished much in America with the aid of British money. We have accomplished more through the aid of British ideals."

Mrs. M. B. Jones To
Be Luncheon Hostess

Mrs. Mattison B. Jones, president of the Glendale Music club, will entertain with a 1 o'clock luncheon Thursday at Mrs. Sowle's Casa Verdugo restaurant the twenty ladies who worked on the various teams during the membership drive of that organization. At that time reports will be given by the various team captains, Mrs. C. A. Parker, Mrs. N. Rigidon, Mrs. H. R. Gibbs, Mrs. Alex. Mitchell and Mrs. Spencer Robinson, and winning team announced.

Here's Suggestion By
Visitor In Glendale;
What Do You Think?

Now that "clean up" day is coming suggestions should be in order.

A salesmanager traveling the Glendale last evening and noticed something.

That something was screen doors at the front of many business houses.

"Keep customers away with the flies," he laconically commented.

"People will not open an outward swinging screen door and it blocks their vision of the stock in the store," he explained.

"Why not have electric fans set properly so as to drive the flies out and add an air of comfort and coolness to the front of your open door?"

Sounds logical, doesn't it?

HOW HE MEASURED
Coming to a river with which he was unfamiliar, a traveler asked a youngster if it was deep.

"No," replied the boy, and the rider started to cross, but soon found that he and his horse had to swim for their lives.

When he reached the other side he turned and shouted, "I thought you said it wasn't deep?"

"It isn't," was the reply. "It only takes grandfather's ducks up to their middles."

COPPER INDUSTRY REVIVAL
SAN FRANCISCO, June 14.—A revival in the copper industry will begin in the next two or three months, according to former Senator W. A. Clark of Montana, copper magnate, who was in San Francisco today enroute to Arizona.

"During the last three weeks copper conditions have been far better than they have been for six months," Senator Clark said.

Another Increase In
Population Of City

Glendale's newest citizen arrived at 11:25 o'clock Sunday night in the form of a six-pound baby girl, born to Mrs. Esther Pierce, wife of W. N. "Bud" Pierce, the popular employee of Pulliam and Keifer undertaking company. As yet the youngster has not received a name, due to "Bud's" poor prophecy. The proud father was so sure that his "pride and joy" would be a boy that he spent all of his spare time figuring out a cognomen for the future president, and neglected to think of a girl's name. Both mother and daughter are enjoying good health. They will remain at the Glendale Research Hospital about a week.

Vaudeville Program Is Marked Success

For the first time in the history of Glendale a professional vaudeville program was staged here as a commercial proposition. Meiklejohn & Dunn of Los Angeles presented their road show at the Glendale Theatre with marked success, the four acts being featured by Madame Hovick's Juvenile Revue. Little June Hovick and Billy McKinney were the co-stars and each tried to outdo the others, while seven supporting youngsters were as cute as they could be.

Opening with the school day songs, a series of popular numbers followed, "My Gee Gee" and "Mammy" being well received, the latter sung by Billy McKinney stopping the show. Whistling, dancing and more songs completed the kiddies' part of the bill.

Scotty Duncan was the real star of the evening in songs and stories that equal Harry Lauder and reflect originality. His crying song kept the house howling and his yodeling and wheezing were sufficiently unusual to be pleasing diversions from the regular run of entertainment.

Frank and Mae Collins were enthusiastic entertainers, playing the saxophone, banjo and accordion with Frank singing some songs which went over big. To be frank, the Glendale audience liked him too well.

Mark Nelson, eccentric hat juggler, opened the program and started the laughter which lasted throughout the two hours of added attractions.

Fred Schader Visitor At Astra 'Lot' Here

Fred Schader, representing Variety, New York's theatrical and vaudeville trade magazine, was a visitor at Astra Studio, Verdugo Road, yesterday. L. J. Gansner, president of the Astra Film Corporation, also was on the "lot" yesterday, having returned from a trip to New York for Robertson-Cole productions of which he is a director.

Miss Clara Midcalf Given Traveling Bag

The Glendale City Teachers' club held a called meeting last Friday at the Intermediate school. The retiring president, Miss Clara Midcalf, was presented with a handsome traveling bag.

The main object of the meeting was to appoint a delegate to attend the N. E. A. convention at Des Moines, Iowa, in July. Richardson D. White was appointed to represent Glendale.

Southern Glendale's Citizens Enthusiastic

Much interest and optimism is being shown by the residents of Southern Glendale in the association recently formed for the advancement and improvement of this section of the city.

The Glendale Gateway club was the name proposed by Mrs. Bancroft, which met with popular favor of the members present at the last meeting, and was accordingly adopted.

The main purpose of the club is to secure advantages and improvements for Southern Glendale. It is desired by the club that every citizen of this district enroll as a member, but the membership is to include all who are interested in the development of Southern Glendale. Everyone is invited to attend the meetings, which for the present will be held on Thursday night of each week at 7:30 o'clock, in the branch library building, corner of Los Feliz road and Brand boulevard, and present suggestions for the good of the district.

It is confidently believed that by a concerted action on the part of the citizens that much good will be accomplished.

The recent activity in real estate, in which much property has changed hands, is evidence of the keen interest taken in this section by shrewd investors or men with vision. It is predicted that the next year will show greater advancement than has ever yet been witnessed.

The widening of Brand boulevard at San Fernando road, and also the widening of Los Feliz road from San Fernando road to Central Ave. are two improvements which will add much to the district. The safety signals at Los Feliz road and Brand boulevard and at the Southern Pacific crossing are two other improvements for the safety of the people which point to progressiveness.

Everybody is urged to attend the meetings on next Thursday night, at which time it is expected to get down to a working basis. Everyone is asked to join the club, without waiting to be called upon by a member of the membership committee.

Mr. and Mrs. C. B. Oren Call On Friends Here

Mr. and Mrs. Charles B. Oren of Long Beach were the week-end guests of Miss Cora Hickman and Mrs. Adelaide Imler of 336 West Park avenue. Mr. and Mrs. Oren are former neighbors of Miss Hickman and Mrs. Imler in Colorado Springs, Colorado. Sunday's meeting being their first reunion in several years.

Mrs. Oren has just returned from a visit in Colorado Springs, and on her trip west she came through the area covered by the recent floods. Words cannot express the horror and devastation wrought by the rushing water, she says, as the region in and around Pueblo has been converted into a veritable wreck.

Carrier Pigeons In Illegal Drugs Plot

KANSAS CITY—Search for a criminal genius whose cunning has led to the use of carrier pigeons to transport narcotics is in progress here.

The first clue that pigeons were being used to convey drugs for smugglers came following the storms last week when a bird was forced to earth at Fargo, N. D. One of its legs was broken. Two aluminum capsules containing cocaine were strapped to the pigeon's legs. Since then the other pigeons, similarly loaded, have been found in Minnesota and Illinois.

Drugs are being smuggled into the United States from Mexico in oil tank cars and by airplanes, and sealed bottles containing narcotics have been found in tank cars, federal agents assert.

Smothers Infant, Then Shoots Self To Death

CANTON, Ill.—At Table Grove, Ill., Mrs. Fred Johnson, thirty-five years old, in a spasm of insanity, piled bed clothes on her two-months' old babe, smothering the infant, then she walked into an adjoining room and shot herself to death with a shotgun. Floyd, the oldest son, who graduates tomorrow, arriving home from school, discovered the bodies. The husband, working in a field half a mile away, did not hear the fatal shot. Ill health was accountable for the deed.

OUR CONSCIENCE

Really permits us to use the word BARGAIN in referring to this property at the price offered, and we believe anyone will agree with us—unbiased and unprejudiced—judged from actual values—as they exist today. Located on one of our greatest traffic streets. A five room "cottage-bungalow" (that's a term we have coined as applying to the older type bungalows), two bedrooms and breakfast room, rooms commodious, and one of the cheeriest, sunny houses we were ever in. The kitchen is—well, as one lady said recently, "Oh, what a perfect dear"—when she saw it. The entire house inside and out, has been done over—with best paint, tint and varnish—also neatly papered. However, it is not Dolled Up Junk—but a splendidly built house "done over".

Price \$4000, only \$1700 handles, balance in \$2000, first mortgage, 2 3/4 years to run. \$300, easy monthly. This is priced, way, way under value.

Here's a "Home Starter," and money maker, 1/2 block to Brand, lot 50x180 to alley, four walnut trees, has splendidly built bungalow-garage 16x24 with 10x12 "lean-to." Beaver board, finish, tinted, electricity, water. Fenced and cross fenced with best lawn fence. Price \$2650. As low as \$500 will handle. Fine, high class home to be built on next lot. Take it while you can get it.

Cat Loses Kittens So She 'Mothers' Chicks

NEW BEDFORD, Mass.—While mourning the loss of her three kittens who lived but a few minutes, Nellie, a matronly English short-haired cat, turned to the incubator for consolation and now is the foster mother to a brood of chickens. The feline philanthropist has taken lodgings behind a stove in the home of Mrs. John T. Morey of this city and bestows a constant care and affection upon her beloved but puzzling family.

A practical minded hen discovered she had been duped into completing a hatching job which an incubator had started. The fowl immediately deserted the seven newly arrived chicks.

Mrs. Morey transferred the abandoned chickens to the tenement occupied formerly by the cat where they came to the notice of Nellie on her first visit to the kitchen since her bereavement. After an hour of silent observation she decided upon adoption.

The flag day exercises will be held tonight, beginning at 8 o'clock, sharp, in the club rooms. The principal speaker for the evening will be W. I. Gilbert of Los Angeles.

There will be a special musical program, as well as the ritualistic ceremony appropriate to an occasion of this kind.

After the business meeting the members adjourned to the banquet room, where a lunch was served and motion pictures shown.

Statement To Public By Guy F. Maxwell

Guy Maxwell, candidate for city clerk, requests The Evening News to publish the following:

To the Public:—I came from Kansas with my parents when a very small child and have been a resident here for thirty years.

After graduating from the Tropico and Glendale schools, I graduated from Throop Institute of Technology in Pasadena, now known as California Tech. Later I graduated from the Vander Naillen School of Mines as a metallurgical engineer. Upon graduating was offered position as instructor in metallurgy where I served two years, leaving to take charge of the Trinity River Mining company near Red Bluff, California.

Since then my mining work has taken me to Alaska, Nevada, northern California, Arizona and Mexico. I was consulting chemist for Electro Chemical Gold Saving corporation, superintendent Omega Mining & Milling company at Forest, Sierra county, California, and most recently was assistant chief chemist for a large mining company in Arizona.

I have worked for the betterment and advancement of Glendale, especially the schools and home patronage.

If chosen to the office of city clerk, I will give to that office every attention that my education, experience and energy can do. I have always made good.

GUY F. MAXWELL,
Candidate for City Clerk.

Ockerson Levee Will Hold, Expert Asserts

CALEXICO, Cal., June 14.—The Ockerson levee will hold.

This was the information given the United Press here today by Irrigation District Manager Cronholm over the long distance telephone from Andrade.

"The Ockerson is soft in many places, with the water wetting the very top of the emergency embankment, but it appears certain now that the levee is unbreakable," Cronholm declared, contradicting sensational press reports that the levee was momentarily expected to fail.

American valley is in no danger whatever," Cronholm asserted. The flood peak is now expected on June 23.

It is reported here that the Saline levee is likely to break at any time, inundating Mexican lands in a considerable portion of the irrigation district.

Treaty Of Peace Is Necessity, Declared

WASHINGTON, D. C., June 14.—A treaty of peace between the United States and Germany must and will follow the enactment of a peace resolution, republican house leaders, who have recently conferred with President Harding, said today.

Such action is necessary they said, to settle disputed questions that will arise between the two nations after the final passage of the peace resolution and to establish clearly the rights of the United States and her nationals as to damage claims pending and future dealings with the German nation.

Missouri Folk Will Meet Friday, June 17

An important meeting of all former Missourians now residing in or near Glendale will be held in the Glendale Union high school auditorium Friday night, June 17, at 8 o'clock. President C. E. Stokes and wife of Los Angeles will be present and speak about the picnic to be held July 9 at Lincoln Park, the Missouri centennial celebration at Sedalia, Mo., in August, and other matters of importance. A large attendance is anticipated.

Watching Scoreboard

Yesterday's hero — Babe Ruth (steenth citation). He snagged two homers, pitched five innings, fanned Ty Cobb. Ruth's first homer set a record by dropping into the center field bleachers, miles and miles from home. The Yankees beat Detroit, 13 to 8.

Helme Croh went back to third for the Reds but Brooklyn defeated Cincinnati, 3 to 1.

Facing an attack of which Leslie Mann's two homers were a good example, the Giants were annihilated by the Cards, 10 to 1.

The White Sox got theirs early and concentrated on holding the Red Sox away from the plate. With five runs in the first the Chicagoans won, 6 to 4.

Four homers were part of the Pirates' vicious attack on the Phillies who lost out, 12 to 5.

Sam Rice treated Cleveland pitchers to a display of two singles, two doubles and a homer in five times up, but the Indians defeated Washington, 10 to 6.

All Star Acts Are Offered By Legion

From the opening quarter to the exit number by the orchestra, everyone of the twelve big numbers on the American legion sick fund benefit performance at the Palace Grand tomorrow night will be of an all star character. One of the latest numbers to be announced is demure Jane Crawley in a monologue. Her number will be one of the few "singles" on the bill.

Director Nils Gilliam is preparing a special orchestra program, while the band will play in front of the theatre prior to the performance which will begin at 8 o'clock. Very few seats are left, there being only one show.

Murder Hearing To Continue Wednesday

CHICAGO, June 14.—The trial of Mrs. Cora Orthwein, charged with the murder of Herbert P. Ziegler, will be continued tomorrow when witnesses for the state will testify.

It was postponed because Lloyd Heth, prosecutor, is to argue before the supreme court at Springfield against granting a reprieve to Carl Wanderer, condemned murderer of his girl wife and the "ragged stranger," he hired to stage a fake holdup.

COUPLE ARE UNITED AT HOME WEDDING SUNDAY NIGHT

Mrs. Marie Lucille Mullen
And Dr. James Farrington
Married By Rev. Norton

A very simple but impressive wedding ceremony was that performed Sunday afternoon by Rev. C. R. Norton at his home, 801 East Wilson avenue, when Dr. James H. Farrington, a retired dentist, and Mrs. Marie Lucille Mullen of Eufaula, Alabama, were united in marriage.

The ring ceremony was used. Miss Gladys Levy attended the bride and Richard W. Levy the bridegroom. Little Vera Elsie Mercer, niece of the Beys, acted as ring bearer.

Others who witnessed the ceremony included Charles R. Norton, Mrs. C. R. Norton, Annie Louise Levy, Reta Levy, Elsie M. Levy and Jessie J. Levy. Decorations consisted of beautiful bouquets of sweet peas.

Dr. Farrington has purchased the property at 809 East Wilson avenue, where they will make their home. Mrs. Farrington recently came to Glendale from Canada.

A. B. Clement Back From Trip To Valley

A. B. Clement and daughter, Mrs. Lewis Leppleman and little son, 1321 North Pacific avenue, left Glendale June 2, by way of the Ridge route via Bakersfield, to Fresno and on to San Joaquin valley. Mrs. Clement left a week ago to visit their son, E. F. Clement and family, who have located on a little farm on the 72,000-acre ranch there. Mr. Clement says:

"The trip was a fine one and we noticed many improvements along the way. There is quite a substantial crop of wheat from Terrell to Porterville, which is now being harvested. Thousands of acres have been set to grapes and I predict a much lower price for grapes in three years. Our son and family took us up to Mendota, the wonderful fishing place for salmon.

"Some of our Lindsay friends had been up there and brought back quite a lot of fish, weighing as high as forty pounds each.

"On the return trip we stopped at Fresno for a few hours and consider it a very beautiful city and it is full of business. Tulare is all right, but does not grow very fast. It is surrounded by splendid farming country. Lindsay is a prosperous town, having no debt and they do not bond, but when they get some money ahead they improve. Porterville is also a thriving town with splendid country all around it.

"We left Porterville June 10 for our home in beautiful Glendale, the city of happy, contented home people. When we got to Newhall we noticed a very decided change in the temperature. Arriving home we found everything in fine shape and immediately donned our working clothes and irrigated the orange grove, which is as good as any we have seen."

Asserts Earlier Wife Branded Unfaithful

MUSKEGON, Mich.—"She will be known now and shunned, as an unfaithful wife should," declared Frank Miller who early yesterday twisted off his wife's ears because she had given her love to Joe Romonhoff. "I will plead guilty," added Miller. He will be arraigned tomorrow on a charge of felonious assault.

Miller explained he was carrying out a custom of his native land in marking Mrs. Miller as an unfaithful wife.

He pleaded at the county jail to be allowed to return home and put his four small children to bed, while the children, fearing their mother, refused to remain at the home.

Neighbors and Mrs. Miller's relatives offered to furnish him with counsel. Officials say that Mrs. Miller and Romonhoff have obtained Miller's property, valued at \$6000, since last fall when Miller shot Romonhoff four times for attentions to his wife.

Methods In Burglary Described By Officer

SACRAMENTO—The poet who sang about east being east and west being west was a wise man, according to C. S. Morrill, state superintendent of criminal identification. Methods in everything vary between east and west, Morrill said today.

"Take burglars for instance," he explained. "The eastern burglar either 'shoots a lock' or smashes a glass window. The western burglar picks an open window or a door to make his entry.

"The eastern burglars who winter in California are all going home now. After April we seldom have a typical eastern burglary in California. The native son yeggs have a monopoly during the summer."

Moth Balls Are Not Enough For Disguise

BOSTON — Moth balls, strewn about the stairs leading to her apartment, to disguise the fumes from home brew lacked sufficient strength to dispel the belief of "Dry" Agent McNulty that liquor was being made in the home of Rebecca Fox, on Chestnut street, Chelsea, McNulty testified.

An examination of the defendant's premises, according to McNulty, revealed a twenty-gallon still in operation, besides 300 gallons of mash and 10 gallons of moonshine whiskey, which she was charged with manufacturing.

Cost Of Living Drops In South, Is Reported

CHICAGO—The cost of corn pone and a bowl of rice, two of the principal items of food on the menu of negro workers in the south, has dropped about 50 per cent, L. E. Faulkner, general manager of the Mississippi Central railroad, declared today before the railroad labor board. Mr. Faulkner testified to large reductions in the cost of living in a hearing brought by employees charging arbitrary wage reductions on the Mississippi Central.

Station employees, mostly negro labor, in Hattiesburg, Miss., receive 20 cents an hour, and out along the line 15 cents, Faulkner testified.

The fez is no longer to be the national head-dress of the Turk, according to a decision of the national assembly. The "kalpak" will be substituted. The "kalpak" is made of black cloth or felt somewhat similar to the fez only flatter and broader.

Social Time And Picnic
Lunch, Also Program

Jolly, indeed, was the garden party given for the boys who are staying at Thornycroft on the beautiful grounds of the Jack Gardner home at 1225 Mountain street yesterday afternoon, with Mrs. Jack Gardner, known professionally as Louise Dresser, and Bertha Mann as hostesses.

A more ideal spot could not have been chosen for a party of this kind. A most delicious picnic lunch was served, consisting of sandwiches, potato salad, apples, ice-cream, cake and punch.

Several very humorous stories were told by Mr. and Mrs. Gardner, as well as vocal selections by the former.

List of Guests

The guests present included P. H. Burris, Ernest C. Erickson, Wm. J. Carter, T. M. Austin, Charles C. Racine, Vernal Kimmick, Fred Harris, Henry Bryan, J. F. Emmet, C. H. Goodrich, C. M. Christensen, M. Malloy, Roy Haworth, Wm. White, Geo. B. Shely, Hugh Malcolm, Morris J. Saul, John J. Lichtig, John E. Matrons, Alvan E. Mitchell, George Yurgonis, Paul Crandall, Theodore Morton, Orion D. Belt, Russell Hall, Glenn Wilson, Edwin J. Perrin and E. E. Emmett, Louise Dresser, Jack Gardner, Bertha Mann, Dora Mae Howe, Mrs. Guy Bates Post, Mrs. John Jay Curtis and Mrs. Wm. H. Hay of Hollywood, Mr. and Mrs. Wm. A. Howe, Mrs. A. F. Priest, Ann Morgan, Josefa B. Dowling, Irene Morgan, Mrs. Ida Kerlin, Dolores B. Dowling, Mrs. Bernard Kavanaugh, Hope Brown, Mrs. Dieterich, Viola Brinkmeyer and Mrs. W. L. Kerlin.

Music Completes Program

Selections on the phonograph and music completed the afternoon's entertainment.

Members of the Morisco and Majestic companies entertain the boys every Monday afternoon and their visits are always looked forward to with much pleasure.

Manager William A. Howe, of the Glendale Theatre, issued a standing invitation to the boys admitting them, free of charge, to any performance at that theatre.

Jackie Coogan Is On Palace Grand's Screen

Equaling, if not surpassing, his wonderfully successful performance in "The Kid," Jackie Coogan, six-year-old marvel of the screen, gives a truly delightful and refreshing characterization in the title role of "Peck's Bad Boy," which will be seen for the last time today at the Palace Grand.

The production, as a whole, is a splendid accomplishment. The most amusing and interesting episodes from the celebrated works of the late Governor George Peck have been incorporated in the screen version. The subtitles, which were written by Irvin S. Cobb, fairly snap with the brilliant humor of that clever writer, and Jackie Coogan's interpretation of the part of the mischievous youngster who is constantly getting himself and others into trouble is one of the most pleasing contributions that anyone—man, woman or child—has yet given to the screen.

In "Peck's Bad Boy" Jackie Coogan is the same sprightly, lovable little chap that he was in "The Kid." In some ways he may be a little naughtier, but he gives a portrayal of a real American boy, who, despite his shortcomings, wins the sympathy of all.

An excellent orchestration and other film numbers complete a pleasing program. Tomorrow the American Legion sick fund benefit will have the boards.

Christian Circle To Hold Meeting Tonight

The Christian Circle club will meet tonight at the First Baptist church where a tea will be given to all the girls of Glendale. The time is 6 o'clock and every girl in Glendale is very cordially invited. After the tea, Miss Soper will give a very interesting bible talk.

In Southern California

Gives Views About Germs

Modern medicine is an absurdity, according to Walter R. Hadwen, M. D., L. R. C. P., M. R. C. S., a gold medalist in both medicine and surgery and a J. P. in England. Speaking for the Anti-Vivisection Society of California, he insists that germs are not the causes but results of diseases; that anti-toxins for tetanus, typhoid and the rest are dangerous fakes,—and he says a few more things equally interesting. He is a guest in Los Angeles.

"Learn to Swim" Week

This is "learn to swim" week, which is being conducted under the auspices of the Red Cross at the various beaches. If you would like to appear graceful in a bathing suit, "learn to swim."

Ingersoll Said It First

A. W. Frye, president of the Los Angeles City club, spoke at Covina on Memorial Day. The Covina Citizen published excerpts from his address and when asked how they did it without a shorthand reporter, Editor G. F. Rinehart stated it was a part of "Bob" Ingersoll's address delivered in Music Hall, Memorial Day, 1882. And Banker Frye admits that he might have borrowed many of the high sounding phrases for his forensics.

Liquor Conspiracy Foiled

United States District Attorney O'Connor says that a huge liquor conspiracy has been foiled in the plea of guilty by Groves Brothers, high in Democratic party ranks in the southland, to the charge of conspiring to extort money for releasing whisky and wines from bonded warehouses.

Man Is Shot Fatally

Frank Ashton last night at San Bernardino shot and probably fatally wounded N. H. Thibodeaux in what police term as the culminating act in a feud of long standing. The shooting occurred in view of several hundred people.

Ashton claimed today that Thibodeaux attacked him with fists, and that he, Ashton, fired in self-defense.

Spencer Robinson Is Moving Realty Office

Spencer Robinson, who has been in the real estate business at 104 South Glendale avenue, is moving his office into a new building that is just being completed at 111 North Glendale avenue. Besides being in the realty business, Mr. Robinson is a member of the Board of City Trustees and is prominent in the Glendale Music club. Mr. Robinson is a candidate for election to the City Council under the provisions of the city charter, the election to be held June 28.

Dr. Horace A. Bashor Is Recently Married

The many local friends of Dr. Horace A. Bashor, well-known Los Angeles physician, will be surprised to hear of his recent marriage to Miss Gladys Slosson of Monrovia. The ceremony took place last Saturday when the happy young couple quietly slipped away from their friends and were wed in secret.

Dr. Bashor is one of the popular young physicians of Los Angeles and is well liked in professional circles as well as by the laity. He and his beautiful young bride are wished happiness and prosperity by his numerous Glendale friends.

Mrs. May E. Myton Is Building Spanish Home

Mrs. May E. Myton has just moved from 206 East Dryden to 632 East Elk, where she will reside temporarily, awaiting the completion of her new home at 1504 East Maple avenue. The home she is building is a picturesque bit of Spanish architecture. It is artistic in design and convenient in arrangement. Mrs. Myton expects to move to her new home upon its completion, which will be in about a month.

Two Million And Half Loot In Four Months

CHICAGO—\$11k, automobile accessories, cigarettes and cigars, clothing and boots and shoes to the value of \$2,500,000 were stolen from American railways in four months last year, according to statistics furnished the freight claim division of the American Railway association, in session here, by Alexander S. Lyman, general attorney for the New York Central railroad.

A message from the general attorney read at today's meeting blame "the wave of moral degeneracy which has swept over the world in the wake of the great war," and Bolshevist teachings inculcating a contempt of private property, for the extended sweep of pilfering on all railways.

"Another influence stimulating crime is the reluctance of judges exercising criminal jurisdiction to impose substantial sentences," the message stated.

Extra! Phone Company Seeks Rate Reduction!

LINCOLN, Neb.—John Curtis, secretary of the state railway commission, was opening the morning mail as usual. He paused on one letter, gasped, and fell over in a dead faint. After John had been revived he found breath to explain that a telephone company had actually written the commission making formal application for a reduction in rates.

The Arnold Telephone company at Arnold, Neb., is the applicant. It asks that it be permitted by the commission to reduce its rates sufficiently to cut its gross earnings \$400 a year. The application sets out that the earnings in 1920 were \$5968. The company paid an 8 per cent dividend and has a surplus left. It now declares that it is building up too much of a surplus and that it desires its subscribers to get the benefit. The application will probably be granted.

Declamatory Honor Is Given To Omaha Girl

COZAD, Neb.—Miss Annette Fanger of Omaha was awarded the highest honors in the dramatic division of the state declamatory contest held at this place. She read "Her Country."

Second place and the silver medal were won by Donald McCoy of Stamford, Neb.

All districts were represented with the exception of that in which Cody won the honors. Contestants were entered from Cozad, Kearny, Alliance, Battle Creek, Superior, Omaha and Stamford.

Less Of Begging But More Theft In France

PARIS—There is 80 per cent less begging in France than previous to 1914, according to police statistics, but theft has increased in about the same proportion. The police explain this phenomena by saying that the temptation constantly held out to the gayly inclined to enjoy themselves appeals to those who cannot afford it as well as to those that can.

Criminality among women and children has notably increased. Among a hundred persons found guilty of crime before the war there were twelve women and five minors; there are now thirty women and fourteen minors in every hundred convicted.

More than three million men are under arms in Europe at this time.

Drinks 'Candles' From Birthday Cake On Ship

NEW YORK—J. Henry Sticht, East Orange, N. J., had his forty-fifth birthday aboard the Rotterdam. The captain ordered the big birthday cake illuminated with forty-five miniature bottles of cognac.

J. Henry Sticht looked at the cake. It was too good to drink. He decided to take it home. He was carrying it down the gangplank when a customs guard stopped him.

"What you got in the package?" he asked.

"A birthday cake."

"Let's see." He looked. "You'll have to take that cognac off," he decreed.

J. Henry Sticht backed up the gangplank. There was only one efficacious way to take it off. Sympathetic friends helped him, and then J. Henry carried his birthday cake home.

Blind In New York Get Real Vacation

NEW YORK—The blind people of New York City are getting ready for their summer vacations. Perched high above the gleaming river at Cornwall-on-Hudson, in the midst of eight acres of richest Orange county farm land, stands a big old fashioned house with broad verandas. It is called the River Lighthouse and is the playground of the sightless, maintained by the New York Association for the Blind.

Beginning June 15, groups of blind persons are conducted there by sighted guides for twelve day visits throughout the summer.

The River Lighthouse is one of four projects maintained by the New York Association for the Blind. There are also the Bourne workshop for men, the boarding house for men and the Lighthouse, an industrial school for adult blind. President Harding, on a recent visit to New York, took time to view the Lighthouse and is honorary chairman of a committee seeking a \$2,000,000 endowment for the work.

MUSIC SECTION HAS ANNUAL LUNCHEON AND PROGRAM

About Forty Members Attend
Gathering At White Inn;
Numbers Are Pleasing

The annual luncheon of the Music section of the Tuesday Afternoon club was held yesterday at the White Inn, with about forty members present. Letters were read from Mrs. Cecil Frankel, president of the California Federation of Music clubs, and also from Mrs. C. E. Hutchinson, president of the Tuesday Afternoon club, who were unable to be present.

The program for the afternoon included a talk by Mrs. Mattison B. Jones, vice-president of the California Federation of Music clubs and president of the Glendale Music club, on "American Music."

Program Is Enjoyed

Mrs. Charles A. Parker most delightfully rendered a group of three love songs. The Nevin quintette, consisting of Mrs. C. A. Parker, Mrs. Frank Arnold, Mrs. A. M. Draper, Mrs. Helen Graham Cole and Mrs. L. N. Hagood then sang a group of songs including "At Twilight" (Nevin); "The Four Leaf Clover" (Coombs); "The Night Has a Thousand Eyes" (Nevin); and "The Rosary" (Nevin). Mrs. L. N. Hagood also gave a group of three very

The three large tables in the private dining room were decorated with beautiful bouquets of Dorothy Perkins roses and ferns.

The music section will not meet again until after the beginning of the new club year.

Fox Terrier Descends 1500 Feet In Parachute

RANTOUL, Ill.—"Bing," a fox terrier, made a descent of fifteen hundred feet in a parachute from an airplane at Chanute field today. When "Bing" landed he worked himself free from his harness, overcame another dog sent to prevent his onward journey, and ran to headquarters with a message carried in a pouch suspended from his neck.

The performance was to show the practicability of using dogs to carry messages when an airplane is unable to land.

Treasure In Hold Of Ship Off Oregon Coast

PORTLAND, Ore.—Down on the coast of southern Oregon there is a mysterious old hull—a wreck that antedates the memories of the earliest settlers in the Oregon country.

The hold of the ancient craft contains a cargo of metal bars, brass and copper, perhaps even gold. This much was determined last year for the first time by an organized exploring party that braved the swift tides and quicksands of Neskowin for a few hours, just long enough to ascertain that the hold contained ingots of some kind.

The curious ones were then driven back by the rushing tide. When the water had retreated again, the tricky Neskowin sands had shifted and the wreck was almost out of sight.

This summer the mystery is to be solved, residents of the Neskowin district declare. They are prepared to spend a considerable sum of money in excavating. When all plans are ready the trick must be turned in a few hours—between tides—or not at all. Success of the expedition admittedly depends to a great extent upon the favor of the elements, for in the constantly shifting sands and tides the wreck is sometimes raised high above the beach, and again covered with tons of sand and almost submerged from sight.

The treasure-seekers will endeavor to make their drive on a favorable day, when the tide is low and the wreck comparatively clear of sand. It is planned to cut through the hold with axes and shovels, and remove as much of the metal as possible before the incoming tides drive the invaders back.

The old wreck has been on the beach at Neskowin, in Tillamook county, for many years. The Indians say it was there long before the white man came. Albert Bowman, first homesteader in the region, said the ship had apparently been wrecked for decades before he settled on the Oregon coast in 1885. Bowman who is taking an active interest in organizing the exploration party, believes the ship was one of the Hudson's Bay Company fleet.

No theory as to the unique cargo of neatly-cast ingots has been advanced.

French and Polish engineers, under supervision of the two governments, are seeking to recover a wealth of gold and silver reported to have been hidden from the enemy by French soldiers in a lake near Vilna during Napoleon's retreat from Russia in 1812. Estimates of the value run from twenty-five to thirty million dollars.

DECORATION PLANS FOR CONVENTION ARE DISCUSSED

Committees Appointed To
See That Fresh Flowers
Are Always Present

In order that the decoration committee for the state Christian Endeavor convention might complete its plans more fully, they held a meeting last night at the home of Mr. and Mrs. R. P. Jodon, 133 South Kenwood street.

A committee was appointed to decorate the different churches of Glendale with the Christian Endeavor colors. They are: Madeline Love, Margaret Overton, Miss Watson, Messrs. DeMott, Mattie and Stewart. They will decorate these churches Tuesday night, June 21.

The tabernacle will be decorated with flowers in the Christian Endeavor colors as far as possible.

To Change Every Day
In order to keep these flowers fresh it was necessary to appoint a committee to take charge and see that they were changed every day.

Miss Madeline Love is in charge of this and will be assisted by C. C. Stoler and the following committee: Alton Mattie, Miss Watson and Mr. Stoler will decorate the tabernacle on Friday; Ruth Ryan and Mr. Stewart, on Saturday; Miss Overton and Mr. Freeman, Monday morning; Mr. Myers and Mr. DeMott on Monday night; Esthel Besant and Mabel Overton on Tuesday night.

This arrangement will keep the flowers in the best of condition and will not burden anyone with too much work or responsibility.

Electric Signs, Flags

Plans were also made to hang certain electric signs and flags and this is in charge of Mr. Jodon with his committee—John Server, Leslie Bennett, Hugh Freeman, Mr. Stoler, Harry Marple and Albert Hewitt.

After the business meeting dainty refreshments were served and the Christian Endeavor colors were carried out in these.

Grasshoppers are an excellent food for live stock, according to the findings of a commission appointed by the government of Uruguay. When dried, an analysis of the product showed a fatty matter content of forty per cent and more than this amount of digestible protein. The product is superior to oil cake and horses, sheep and pigs eat the dried locusts readily.

L. A. Plans To Obtain Power Control Opposed

RIVERSIDE—Bitter opposition to the plans of Los Angeles to gain control of the entire power situation on the Owens river in Inyo county, where that city gets its water supply, is being voiced throughout this district as well as in certain districts of the San Joaquin valley.

Charging that the city of Los Angeles wants to condemn for its own aggrandizement the Adams power plant, which was completed this spring by the Southern Sierras company in the Owens river gorge, E. B. Criddle, of the Southern Sierras company bitterly attacks the action of the Los Angeles authorities who have attached the holdings of the company in a suit in the federal court of San Francisco.

The Los Angeles plan, according to Criddle, aims at the creation of a municipal monopoly of all the hydro-electric power, developed and undeveloped, that can be secured within the state, down to, and including the Colorado river.

"It is recognized," stated Criddle, "that the future growth of California, industrial and agricultural, depends primarily on hydro-electric power. If control of this can be vested in one city, that city will dictate the industrial and agricultural developments in the entire area affected. Not being under the jurisdiction of the state railroad commission, it can fix rates to favor industries far below costs, which would amount to a subsidy, and charge the loss off to the general taxpayer under forms that conceal the nature of the expenditure."

"Los Angeles has filed on power sites up and down the state aggregating a million and a quarter theoretical horsepower. With the present hydro-electric energy available the increasing agricultural demands can be met for possibly five years to come. After that all growth, agricultural and industrial, must proceed only in conformity with such terms as Los Angeles chooses to impose."

"This means, under the terms of her charter, that no one can be served with the power under her absolute control until her own needs have been supplied. Then it will be entirely optional with Los Angeles whether she chooses to serve outsiders or not, as politics and convenience may dictate. We must protect ourselves from her."

SHINING EXAMPLE

Charles M. Schwab said at a banquet in Loretto:

"The failures do all the talking nowadays. Listen to them and you'll come to the conclusion that success is a crime—that every millionaire is a liar and a thief."

"As a matter of fact ninety-nine out of 100 successes are due to hard work and hard work alone. The successful man works while the failure talks Bolshevism."

Mr. Schwab chuckled.
"To put it in another way," he said, "the successful man makes hay while the sun shines—makes it out of the grass that grows under the Bolshevik's feet."

Federal prohibition agents are directing their attention to druggists who are profiteering on whisky sold for medical purposes. Liquor bought on prescriptions for sick people have in some instances been found to have been adulterated with prune juice and water and sold at the price charged for pure liquor.
